for those who are to be individually presented. It is a matter for consideration whether we should ask the names for other officers.

Another point for orders is about the issue of passes to the President for distribution among leading citizens & who are not on the Municipal Council. Please see Flag X. — which is the list of 70 persons to whom passes were issued on the last occasion. The 70 consisted of 33 officers 4 retired officers 29 Municipal Councillors & 4 other non-official gentlemen.

If it is decided to ask the names, the names of the gentlemen on whose behalf passes are asked for will have to be sent to the Residency

Dear Sir,

I have not received any invitations to gentlemen other than the Municipal Councillors. On former occasions, about 100 tickets seem to have been issued to important and respectable citizens. This time I have not heard any thing as yet from the Secretariat. As on the previous occasions 100 tickets may be kindly sent for -- distribution.

Dear Sir,

May I remind you of my D.O. letter No. 80 dated 15th instant, regarding tickets to the Station Platform to respectable citizens? One hundred platform tickets were sent to the President, City Municipal Council, in 1919 on the occasion of His Excellency Lord Chelmsford's visit. I am daily receiving applications for tickets from respectable citizens and influential merchants, who will not apply for them but think that as usual they are entitled to receive the tickets, as a sort of honor done to them on such public occasions.

2. I request you therefore to send me the tickets at once or if it is not possible, to inform me to whom the merchants have to apply for tickets.

Yours sincerely,

K. Matthan Esq., B.A.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore, BANGALORE.
